Registrar (Academic)

The Dean, MAMC has constituted a Committee consisting of 5 members i.e. Dr. G.K. Ingle, Dr. P.N. Agarwal, Dr. Neelam Vasudeva, Dr. M.K. Daga and Dr. S.K. Gupta to review/formulate the guidelines of existing awards/medals ( as per list attached) ( 5/c). As per list 14 awards were listed for the purpose of review (N/1). rest of the awards are based on University remarks and internal assessment, so, according to Registrar(Academic) no revision or formulation of guidelines is required in those cases (N/1). The Chairman of the Committee has convened meetings 7 times however, meetings could be held only thrice and rest of the times the meeting was cancelled or postponed due to various reasons mentioned in the correspondence pages of the file. In all 3 meetings, only Dr. S.K. Gupta and Dr. Neelam Vasudeva were present and remaining 2 members never attended any meeting.

Regarding S.No. 1, Dr. Samir Marwah Memorial Award - on perusal of the file it was detected that the award was instituted and was earlier given to the Unit for best presentation in clinical meetings. However, subsequently, the award was not given on number of occasions as no clinical presentations were held during those years. Since year 2004 this award was given to the best T.T. player and since then, it is awarded to the best T.T. Player. This is a major discrepancy and it needs to be resolved. The Committee recommends that the award should be given as per original guideline and to rectify the mistake. As the award is given during last decade to best T.T. player, it is suggested that a Certificate for best T.T. player should be given in place of this award and the Certificate should be titled as " Best Table Tennis player of MAMC for the year...."

Sr. No. 2, Vidya Ratan Schgal M.D. Award - No need to review. The guideline is clear.

Sr. No. 3, K.B. Sharma Rolling Trophy - as per existing guideline the trophy is rewarded to the student who is contributing to the corporate life of the college. The committee feels that the criteria seems to be vague and needs objectivity and hence, it suggests the following criteria for award of this trophy from the year 2017 onwards :

A) There should not be any adverse report in any manner against the student applying for this trophy.

B) He should qualify final MBBS Part-II.

C) Since first MBBS exam till final MBBS Part-II, he should qualify all the examinations in first attempt. However, one supplementary with bonafide reasons may be permitted.

D) He should contribute in the following areas with max marks suggested against the criteria :

- |   |            |
