Welcome

Dear Colleagues & Friends

It is a privilege and honour to invite you for the Annual Academic feast of Delhi Rheumatology Association - **RHEUMATOLOGY UPDATE 2017**- which is being organised by Department of Medicine of Maulana Azad Medical College (MAMC). It is indeed a homecoming for the update as, and many would not know this fact, the DRA was conceived in MAMC - a pioneering and prestigious teaching institution in the country.

The theme of the update will be *"Best Practices in Rheumatology - Bench to Bedside"*. We hope to deliver high quality sessions, lectures, panel discussions and unrivalled opportunities to network, all with renowned experts in the field. The scientific deliberations will broaden our horizons in this exciting field and empower us to deliver better care for our patients suffering from these chronic and often incurable, but eminently treatable, diseases.

A combination of latest developments in the field and pearls of practice promise to make an interesting and eclectic mix.

So, join us on a cool February Sunday for this academic bonanza, and get empowered!!

Regards,

Dr Sumeet Singla
