Voter Awareness workshop

A voter awareness Workshop is being organized by Josh Talks and Office of CEO, Delhi, on 6th may, 2019, Monday, from 2-3 pm in the New Lecture theater 1 Pathology block. on voting rights.

The session will delve upon the following key areas :

- Importance of youth involvement in the democracy
- Information about elections & electoral process
- Steps that can be taken to engage first-time voters before elections
- Role & responsibilities of every individual in a democracy
- How young individuals can counter fake news and misinformation which is available online
- In-depth discussion using relatable examples
- Setting up EVM and VVPAT machines during the workshops to create awareness about the usage

The students are requested to participate in this workshop in Large numbers so as to gain the right knowledge to become informed and aware voters for the coming elections.
